Dan Beaudry, former head of campus recruiting at Monster.com, shares the potent job search system used by many international students to find U.S. employment. Mr. Beaudry is also the author of Power Ties: The International Student's Guide to Finding a Job [1] in the US. What you'll discover in this presentation may surprise you:

- Learn how to secure H-1B sponsorship at companies that have a policy against sponsoring H-1B visas.
- Learn why 80 percent of open jobs are never advertised - and how to find them before anyone else.
- Learn why human resources is often an obstacle instead of a conduit to finding a U.S. job - and how to bypass it.
- Learn why submitting resumes online is not an effective use of your time - and how you can better invest that time.
