Winter Travel Tips

Winter weather is almost here and just in time for winter break, so here are a few travel tips to keep in mind before you leave campus. Have a great break!

1. **International students and scholars** should consult the OISS [travel guidance web page][1] before you depart and check with OISS if you have any concerns about your travel plans. Also, make sure to check your immigration documents for a valid travel signature. If the OISS signature on page two of your I-20 (F-1), or the lower right hand box of your DS-2019 (J-1), will be 12 months old when you return to the U.S., you need to get a new signature. Simply bring your immigration documents to OISS during walk-in hours M-F between 12pm - 5pm and we will sign your form.

2. **Contact International SOS travel assistance**: [https://ogc.yale.edu/erm/ISOS][2]
   All members of the Yale community are automatically enrolled with International SOS (ISOS), which provides pre-travel consultations and 24/7/365 domestic and international emergency medical, security and travel assistance for Yale travelers and accompanying family while more than 100 miles from home. Install the [International SOS travel app][3] on your smartphone for easy access to the services.

3. **Register your travel** with Yale: [http://world-toolkit.yale.edu/yale-travel-registry-instructions][4]. In the event of a major emergency, Yale will be able to contact you.

   **Driving in the U.S.?** Read these [winter driving tips from AAA][5] to keep you safe on the roads this season.
