IMPORTANT UPDATE: Please note that OISS has postponed all in-person ISPY Group meetings until further notice in compliance with Yale guidance on the prevention of COVID-19 [1]. Several groups are meeting virtually for the spring semester; see below for details. Thank you for your patience and understanding.

OISS encourages international spouses and partners to get involved and make your stay at Yale a positive and enriching experience. See the many ISPY events listed below and feel free to contact the group organizers for more details. If you would like to start a group of your own, please contact Molly Hampton, Assistant Director of Programs. [2]

Babies @ Yale
International Center, 421 Temple Street

Mondays, 10:30am - 12:00pm

This playgroup is an ideal opportunity for little ones to begin socializing and learning about group play. This is also a great meeting place for parents and caregivers looking for opportunities to practice speaking English, and for everyone to share experiences, tips and ideas. As the International Center does not offer a child-proof setting, Babies @ Yale is recommended for babies and toddlers that will be content playing together behind the glass partition (up to approximately one year). The OISS has a limited number of toys and books available to the group. Families are invited to bring their own activities to share with the group. If you are interested in joining the group, and for details regarding summer meeting locations, please join the Facebook group [3].

Crafty Mondays

The book of the month will always be the cover photo on our Facebook page. Do you want to join the book club group but you don't have a book yet? It's not a problem! Just stop by and join us for the book discussions. You can start anytime! **Join the Facebook group for updates and to contact us.** [9]

**PS: What Is a Book Club?**

A book club is a reading group, usually consisting of a number of people who read and talk about books based on a topic or an agreed-upon reading list. It's common for book clubs to choose a specific book to read and discuss at the same time.
