**Drawing Techniques**

**Thursdays, 10 AM - 12 PM - OISS, 421 Temple Street (adults only) - June 8-July 27**

Looking to flex your artistic muscles? Join us for our weekly meetings with Doron Wolf (check out his very impressive [art website](https://artiste.doronwolf.com)) to learn various drawing techniques. In the sessions, we will learn the fundamentals of drawing: line, stain, textures, contour, depth, light and shadow, and perspective. We will have hands-on practice in creating drawings and experience various techniques: pencil, coal, ink, and more, through group and individual guidance. Session topics will be still life, human face, figure, portraits, and landscapes. During the meetings, we will focus on observational drawing alongside developing individual creativity and self-expression. The meetings will help anyone who wants to discover their ability and develop their drawing skills. These meetings are for beginners or people who want to improve their drawing skills; adults only. For updates on weekly sessions, please join the group on WhatsApp!

**Job Hunters**

Are you looking for a job? (Or will you be looking for one in the future?) Join our group and learn from others about creating effective resumes in the American way and writing superb cover letters, networking like a pro, nailing job interviews, and in general just to get support through the (sometimes stressful) process of job hunting. You don't have to go through it alone! For more information please find us on the [Job Hunters Facebook page](https://www.facebook.com/jobhuntersatyale/).

**Babies @ Yale**

**Occasional in-person meetings (see Facebook group for details)**

This playgroup is an ideal opportunity for little ones to begin socializing and learning about group play. This is also a great meeting place for parents and caregivers looking for opportunities to practice speaking English, and for everyone to share experiences, tips and ideas. As the International Center does not offer a child-proof setting, Babies @ Yale is recommended for babies and toddlers that will be content playing together behind the glass partition (up to approximately one year). The OISS has a limited number of toys and books available to the group. Families are invited to bring their own activities to share with the group. If you are interested in joining the group, and for details regarding summer meeting locations, please join the [Babies @ Yale Facebook group](https://www.facebook.com/groups/1568246089897693/).
