## Feature Your Event in the OISS Newsletter & Digital Signage

Are you hosting an upcoming event, workshop, performance, or trip? Would you like to advertise your event in the OISS newsletter and on digital signage throughout the OISS office? OISS is excited to introduce a [Yale Connect form](#) [1] to submit your event to be featured!

The OISS newsletter is sent weekly on Thursday afternoons to international students, scholars, and community members and is a great way to share your event with the Yale community. Each week we share events happening around Yale and New Haven and we're always on the look out for more!

To make it easier to request a newsletter feature, we've created a [Yale Connect form](#) [1] where you can share details about your upcoming event. If you'd like your event to be featured in the next newsletter, please complete the form by Tuesday at 11:59pm.

We're also happy to help promote your events on the [OISS Instagram](#) [2] and the digital displays in the OISS building. You can request this and upload your event flyer directly through the Yale Connect form.

Thank you for your support as we try out this new process! Please reach out to our Associate Director of Engagement, Molly Hampton, at [molly.hampton@yale.edu](mailto:molly.hampton@yale.edu) [3], with any questions or feedback.
